

# The Georgia Cup

Inaugurated in 1994, The Georgia Cup is a state-wide team junior golf competition that brings together the top players from the Atlanta Junior Golf Association, the Augusta Area Junior Golf Association, the Columbus Junior Golf Association, and the Savannah Junior Golf Association.

Primarily held to promote the spirit of the game of golf and reinforce important values such as teamwork, integrity, and sportsmanship, this event also provides a venue for the major junior golf associations of the state to come together and compete for the coveted Georgia Cup, pictured above.

Additionally, The Georgia Cup format exposes junior golfers to a game they rarely experience: match play. After determining by lot which teams will compete against one another on day one, eight juniors from each team face eight juniors from an opposing team in head-to-head singles match play. The two victorious teams then return on day two for the championship matches, while the defeated teams return to compete for third and fourth places in a consolation match. Regardless of the outcome each year, players from all teams walk away from this unique experience feeling like true champions!

## Past Champions:

1994	Atlanta Junior Golf Association	2002	Atlanta Junior Golf Association
1995	Atlanta Junior Golf Association	2003	Augusta Area Junior Golf Association
