

# WHITNEY ROSS

USGA P.J. BOATWRIGHT, JR. INTERN  
SUWANEE, GA

**AJG:** Dream foursome?

**WR:** If I could play golf with any four people it has to be Michael Jordan, Jack Nicklaus, Phil Mickelson and Peyton Manning.

**AJG:** Hobbies outside of golf?

**WR:** I love to play basketball, hang out with my wonderful fiancé and dog Gunner.

**AJG:** Favorite Golfer(s):

**WR:** My all time favorite golfers are Jack Nicklaus and Phil Mickelson. I also have special ties to Bryce Molder, who also grew up in Conway, Arkansas.

**AJG:** Favorite Course(s):

**WR:** The most beautiful golf course I have ever been to is Glenwild in Park City, Utah. One of my favorite courses to play is TPC Southwind in Memphis, TN.

**AJG:** Favorite Sports Team (College or Pro):

**WR:** Arkansas Razorbacks

**AJG:** Top golf accomplishment?

**WR:** I played college golf for the University of Central Arkansas. My greatest accomplishment was being a part of the first ever Women's golf team in school history to make it to post season play. We participated in NCAA Division II Regional tournament in 2004; even the University President accompanied us to the tournament

**AJG:** What did you do before joining the AJG staff as the USGA P.J. Boatwright Jr., Intern?

**WR:** Prior to joining the AJG staff I worked for 3 years with the American Junior Golf Association. I then moved back to Arkansas to work as a teaching professional at my home course growing up, Conway Country Club, for about a year before moving back to Atlanta.

**AJG:** What is one challenge you have faced since joining the staff?

**WR:** One of the biggest challenges is getting familiar with the local community. I think Atlanta Junior Golf is a great organization to be involved with and provides a great atmosphere for juniors growing up in the metro Atlanta area.

**AJG:** What are you looking forward to this summer with AJG?

**WR:** I am looking forward to working with such an amazing group of juniors from the metro Atlanta area. I love the opportunity to help others grow, not only in this great game of golf but in the game of life as well.
